WARNER, WILLIAM LLOYD. American life; dream and reality. 267p \$3.75 Univ. of Chicago press

309.173 U.S.—Social conditions 53-8458

For descriptive note see Annual for 1953.

"The book is aimed at the general reader and seeks to present in simple terms the main conclusions of the author's research on American society. The work is studded with provocative insights and bold generalizations. In many instances one wishes that statements about 'all' or 'most' Americans could be specified in more precise terms, and that additional evidence could be presented. However, Warner does caution the reader that community studies '... give only part of the evidence about the vast superstructure of American life.' As a concise summary and popularization of the author's work this little volume will undoubtedly be widely used." R. M. Williams

+ — Am Anthropol 56:332 Ap '54 230w

"The book will help a large audience to become more conscious of the society in which it lives, to cast healthy doubts on myths which fail to correspond to surrounding realities, and to fill the large gap which exists between ideology and actual behavior. Few books from this point of view are more provocative than American Life, in which Warner has brilliantly presented the main results of his studies, whose influence has already given rise to a vast movement of concrete research on contemporary American life." WARTH, ROBERT DOUGLAS. Allies and the Russian revolution; from the fall of the monarchy to the peace of Brest-Litovsk. 294p \$4.50 Duke univ. press

947.083 European war 1914-1918—Diplomatic history. Russia—History—Revolution, 1917. European war, 1914-1918—Russia. 53-8270

"This book is [an] attempt to relate the diplomatic history of the first year of the Russian Revolution in so far as it concerns Russia's relations with the other Allied Powers. . . . The major conclusion may be summed up as follows: Allied policy and diplomacy in the period concerned was based on an almost total lack of understanding of the forces and events of the Russian Revolution. The Allies—like the Central Powers—were primarily concerned with the efficient conduct of the war, but the idealistic reasons for which they were supposedly fighting were nowhere more glaringly contradicted in practice than by their Russian policy—in regard to both democratic and Bolshevik Russia." (Pref) Bibliography. Index.

"Dr. Warth's book is straightforward and objective, adheres rigidly to a chronological pattern, and is based on a careful review of the available literature. There is, however, little attempt to delve beneath the surface of diplomacy, no basic discussion of the underlying factors which influenced the course of events from either the Russian or the Allied point of view, and no very satisfactory interpretation of the factors responsible for 'the fiasco of western diplomacy.' As a consequence, it cannot be said that Dr. Warth adds very materially to what has long been known of the developments he discusses, and in its brevity his book falls far short of being a definitive study. In spite of such criticism, however, this is a useful monograph within its limitations." F. R. Dulles

WASSERMAN, EARL REEVES. The finer tone: Keats' major poems. 228p \$4 Johns Hopkins press

821 Keats, John

53-6494

For descriptive note see Annual for 1953.

"Mr. Wasserman's book, one of the most brilliant readings of poetry I have seen, gets its apt title from a passage in Keats's letter to Bailey, November 22, 1817. The passage is used as the present volume's epigraph: '... another favorite Speculation of mine, that we shall enjoy ourselves here after by having what we called happiness on Earth repeated in a finer tone and so repeated.'... Mr. Wasserman almost consistently develops his argument in Keatsian terms. This is an impressive and persuasive achievement, but despite the subtlety of his thought, it makes for too literal a reading of Keats. In the Foreword and Afterword he argues for a breadth of reference in scholarship and criticism, but he doesn't really practice his preachment. . . . It has been easier to argue with Mr. Wasserman than it would have been to illustrate his fine critical talent, and his analyses deserve something more than a second-hand account." Leonard Unger

+ — Poetry 84:37 Ap '54 1350w

"Whether or no we find our appreciation of Keats enhanced by Mr. Wasserman's method of analysis, whether or no we agree with all his findings and all his views, this is a book which deserves our sympathy and respect. In any case his work must be regarded as a serious contribution to Keatsian criticism. And is it not welcome and satisfying to find a new American book devoted to the poet's creative achievement rather than to the petty details of his personal life?"

WATERHOUSE, E. K.—Continued

"It is a remarkable and delightful performance." Lawrence Gowing

+ New Statesman & Nation 45:620 My 23 '53 300w

"E. K. Waterhouse, who is director of the Barber Institute of Fine Arts at the University of Birmingham, has produced what is probably the best history of British painting over the period in question that has yet appeared." Clement Greenberg

+ N Y Times p7 Ja 17 '54 250w

"The book before us, with its impartiality and its sensitiveness to art values, should go far in establishing a balance between extremes. So well has Professor Waterhouse dealt with the period from 1530 (which marks the coming of Holbein) to 1790 (the end of the 'Classical' period) that we must look forward with pleasure to a later volume centered on Constable and Turner; perhaps it may even discover for us unknown values in British painting of more recent times." Walter Pach

+ Sat ■ 37:34 F 6 '54 600w

"The book begins abruptly with the passing of the Act of Supremacy in 1531, and closes, equally abruptly, with a reference to the discontinuance of the pastel portrait after the death of Gardner. One result of its unwavering concentration upon fact is that too little room is left for the general ideas which should form part of such a history... When all is said, however, Professor Waterhouse's volume is a distinguished achievement, and will remain the standard history of British painting for many years to come." John Pope-Hennessy

+ Spec p764 Je 12 '53 1050w

"Such criticisms as there are of Professor Waterhouse's volume are insignificant compared with the value of the great storehouse of facts which it provides for us. It is indispensable to students of English painting and is incomparably the best introduction to the subject which is available to the general reader. It will have served its author's ends if it stimulates the two types of treatment between which it is a compromise: the detailed examination of narrower fields and of the lesser artists for whom Professor Waterhouse has done so much, and the attempts to analyse the deeper issues that lie beneath the surface or to synthesize the achievements of the English school in its formative years or its most glorious flowering."

WATKIN, EDWARD INGRAM. Poets and mystics. 318p \$5 Sheed

928 Poets. Mysticism [A54-8839]

"Mr. Watkin is writing of poets and mystics but his eye is on the mystics rather than the poets (only three of thirteen chapters are properly speaking on poets and the choice of poets is significant: Crashaw, Vaughan, Ruth Pitter). The reason is not far to seek. To Mr. Watkin the intuition involved in poetry is a kind of natural mysticism... The intuition may be 'indistinct,' 'subconscious,' 'inchoate,' but it is there or there is no genuine poetry. This view of poetry is not peculiar to Mr. Watkin, of course; it is at least as old as Plato. It is a theory which nicely accounts for one among many kinds of poetry. It is dear to admirers of William Blake, and airy nonsense to admirers of Dryden and Molière." Commonweal

"I can recall first coming across Watkin's books as an undergraduate and responding to them as to an intellectual revelation... Through the years he has lost none of the early strength. He is still a wise and learned guide, always understanding, always charitable, always seeking. His new book is rich with fine things and should have a powerful influence, especially on readers who are making the author's acquaintance for the first time." E. W. Geissman

"Boris Watson certainly is well endowed with an observant eye and a sense of humor, and parts of his book (his first novel) are amusing and entertaining. He knows how to tell anecdotes, and some of these are pretty successful—but they remain static and one-dimensional and never rise to the level of a comedy of manners or of a satire. Whenever the author attempts to convey some deeper meaning in his superficial tales he becomes clumsy and shows bad taste, particularly in the last chapter." *Marc Slonim*

WAVELL, ARCHIBALD PERCIVAL WAVELL,
1st earl. Soldiers and soldiering; or Epithets
of war. 174p \$2 British bk. centre

355.04 Military art and science. Soldiers
[54-1813]

A collection of essays and reviews on soldiers and soldiering of this and other generations. Many of the articles were published or given as lectures during World war II. Some were published in The London Times.

"Alas, the fact is that amid the abundance of chaff, there are precious few kernels of wheat. Yes, his prose is polished. Even the late Colonel Repington was not more talented at writing entertainingly about that which was not particularly pertinent. There is the kind of easy reading here that is appropriate to a hammock on a hot summer day and it will be just as good for mother and the girls as for junior who may some day wear a soldier suit. But beyond that—nothing." S. L. A. Marshall

N Y Times p6 Jl 18 '54 850w

"Lord Wavell's book can be enjoyed by anyone who is at all interested in history or in human nature [for] Lord Wavell is not dealing with the intricacies of the art of science of war, but is more concerned with emphasizing clearly, distinctly and often humorously those general principles which his own great knowledge and experience have taught him to value." Rex Warner

+ Spec p626 My 15 '53 1000w

"The late Field-Marshal Lord Wavell had a gift of the pen with which to express the workings of a well-stored, kindly, and humorous mind. His prose was trim, on occasion even high-coloured, but it never had a hint of the tawdry. Within their scope and on their subject, these essays and reviews are the best that have been written in the present generation. It is not only by reason of his military knowledge but also because of his eye for character and intellect that his portraits of soldiers are so just and so satisfactory."

WEBBER, GORDON. Far shore. 237p \$3.50 Little

54-6863

The story of an ancient freighter, the Katy Dee, on a secret mission in the invasion of Brittany, and of the lonely men who are connected with the ship.

WEBBER, GORDON—Continued

Booklist 50:421 J1 1 '54

Bookmark 13:219 Je '54 20w

"An intensely felt, solidly conceived novel."
+ Kirkus 22:82 F 1 '54 170w

"The Far Shore" is more a series of pictures than an integrated whole. The author evokes the feeling of the great bombed-out ports of England during the build-up, describes the winning over of the Armed Guard by a fight, pictures drinking bouts and bullyings, manages a brief amorous interlude in the Scottish hills, and characterizes the sailors and officers of the ship. Most are realistically drawn, even though the characters are stock and not deeply realized. Mr. Webber rather fails to capture the atmosphere of the Far Shore itself, possibly because he leaves out the weather and stints the beaches." Taliaferro Boatwright

+ — N Y Herald Tribune Bk R p4 Ap 11 '54 650w

"Occasionally a simile misfires. Morning must never spread 'like a benediction.' The word 'nimbus,' overused, has a diminished effectiveness. Sometimes the incident is too pat. But these are small faults in an honest and moving novel." Burke Wilkinson

+ N Y Times p4 Ap 18 '54 360w

"Mr. Webber, who took part in the invasion and lived for several days in a scuttled freighter off Omaha Beach, undoubtedly knows men like Lamb and Lombardo and Rachun and Morgan and Jarvis and Ball, but there are many other writers who have known men like them, too, and have written of them with more drama and depth (as Monsarrat has written of their English equivalents)." WEBER, OTTO. Karl Barth's Church dogmatics; an introductory report on v. I:1 to III:4; tr. by Arthur C. Cochrane. 253p \$6 Westminster press

230 Barth, Karl. Theology 53-6528

"Since Karl Barth first rose above the theological horizon after the First World War there have been consistent and valiant attempts to make his writings known in English translations, but the vastness of his output keeps him well in the lead... [This] is a masterly summary with quotations and chapter-and-page references of the eight volumes of [his] 'Kirchliche Dogmatik,' which has already run to nearly six thousand pages and is by no means yet complete." Manchester Guardian

"Here is a book for the theologically initiated. Laymen will find this schematic outline of Barth's eight-volume Church Dogmatics hard-going due to its preservation of Barth's fine distinctions, his technical vocabulary, and his slanted biblicism. However, since Barth is doubtless the most widely discussed theologian of the day, an effort to read him becomes a duty for the informed... This digest of Barth's

essential position largely in his own words introduces an important body of literature." L. W. Norris

+ Ann Am Acad 292:187 Mr '54 600w

"If it is now possible to begin to appraise Barth for the real intent of his theology, Weber's book should prove to be a real aid, though not, of course, as a substitute for Barth's own work. One cannot read even this compact summary without a sense of the richness, massive scholarship and creativity of the Dogmatics. One will understand how even some of the severest critics of Barth have been influenced by his treatment of such topics as the reality of God, the trinity, election, creation and time." E. T. Ramsdell

+ Christian Century 71:551 My 5 '54 1150w

Kirkus 21:678 O 1 '53 120w

"Professor Weber has rendered invaluable service, to which Barth himself pays tribute, in giving the gist of the already completed part of Barth's modern Summa, and Professor Cochrane has done similarly in his excellent translation into English. It is not easy reading but it is nevertheless a convenient and essential introduction to the titanic dogmatic system which Barth is busy building up." W. G. Robinson

+ Manchester Guardian p4 Mr 30 '54 200w

WEBSTER, NOAH. Letters; ed. with an introd. by Harry R. Warfel. 562p \$7.50 Lib pubs.

B or 92

53-4192

"The present collection of 188 letters that Webster wrote between 1782 and 1843 illustrates his reforming zeal better than it does his personal life, for a large proportion of these letters are really tracts—newspaper essays or separately printed pamphlets—on subjects as diverse as charitable societies, the promotion of manufactures, the law of copyright, and epidemiology. There are, to be sure, many letters to his family and friends, but they make relatively little impression compared with the public letters... But of course Webster's most durable contributions were to philology and allied fields. The letters assembled here, many of them statements and defenses of his principles as a lexicographer, document a great scholarly career." Am Hist R

"The idea of collecting Noah Webster's letters was a good one, and Professor Warfel's volume will prove useful for many purposes. It would be still more useful if the annotation were not so thin. Names of persons are identified in a list at the back of the book, but the few notes on historical and bibliographical matters are inadequate. Enclosures are not identified. The letters often raise questions that must have been answered in replies, but the editor almost never indicates whether replies exist or what they said." L. H. Butterfield

"The first part of the book is a frank and at times wryly amusing account of Wechsler's youthful involvement with Communism as a Columbia student in the mid-thirties. The second part describes his subsequent newspaper career and anti-Communist activities. The third section is perhaps the most unchallengeable indictment of McCarthy's methods that has appeared to date, for never before have the facts and issues been quite so clear-cut." C. J. Rolo

+ Atlantic 193:80 F '54 420w

"It is an absorbing narrative, controversial (a term which, it is necessary to recall, is one of honor and not disrepute), lively, full of juicy material about the battles of the Columbia University campus, PM, the Progressive Party and the like. It relives Communist issues which were clear to the right and foggy to part of the left, and fascist issues which were clear to the left and foggy to part of the right, with sharp and precise retrospect." "The first three-quarters of the book deals with Mr. Wechsler's own background and the long struggle of the Left in America to free itself from Communist influence. Because he was in the thick of the fight, Mr. Wechsler may suggest, at least to British readers, that Communism was more widespread than it actually was. But in other respects certain qualities of the author make this account—indeed the whole book—carry conviction. Mr. Wechsler is a liberal but his eyes are open. He has great faith in American institutions, even the Congressional committees whose powers have been abused. And he writes sanely, usually without brilliance, but without neuroticism, so that events appear in their proper proportion."

WEIL, SIMONE. *Letter to a priest* [tr. by A. F. Willis]. 85p \$2.50 Putnam

194 Christianity—Philosophy 52-13660

"This latest book to be published from the writings of the Jewish-born French girl who has become a spokesman for radical Christianity since her tragic death in 1943 makes it obvious that even the Catholic Church was not catholic enough to satisfy her. It consists of thirty-five tenets, or 'theses,' of her belief, addressed to a French priest in 1942 for his opinion on their doctrinal acceptability and on her standing as a possible convert." **New Yorker**

"In a sense, the publication of Simone Weil's *Letter To A Priest* is a grave injustice to her memory. It is a document replete with the thousand and one difficulties that beset the mind of every intelligent human being courageously facing up to the myriad realities of human experience. It indicates the ubiquitous range of her reading, the cautionless universality of her sympathies. But it is a testament of chaos and confusion. It is a brave but jejune attempt to explain everything to her own satisfaction without first explaining one thing—faith, the reality of man's approach to God. As such, its privacy should have been preserved, for it can hardly be of value to similar souls other than to increase their confusion." F. X. Murphy

Cath World 179:476 S '54 250w

Manchester Guardian p3 Mr 16 '53 130w

"Her 'Letter to a Priest'—one of the most important of her works yet to appear, despite its size—should dispel once and for all any idea that she stood close to a conversion to Catholicism. She was indeed powerfully drawn to the church, and that is why she wrote this letter asking guidance of a priest; but, just as powerfully, the letter reveals certain intellectual obstacles. . . Brilliant though she was, Mlle. Weil thought like a woman, and a woman intellectual, notoriously, can be more stubbornly opinionated than any man. It wouldn't have been enough for a fiery little body like Simone Weil to enter the church, she would have wanted to take it over." William Barrett

N Y Times p7 Mr 14 '54 700w

"An interesting work, but chiefly as the picture of a brilliant mind caught in the web of comparative religions."

+ New Yorker 30:133 Ap 3 '54 200w

"To admirers of Simone Weil the Letter is of great interest as throwing light on the development of ideas which she elaborated more fully elsewhere notably her central idea of Affliction and the idea of 'God in a point.'"

+ Times [London] Lit Sup p192 Mr 20 '53 750w

WEINSTOCK, HERBERT. Music as an art. 334p \$6.50 Harcourt

780.15 Music—Analysis, interpretation, appreciation 53-9223

For descriptive note see Annual for 1953.

"There is no doubt that the reader of Music as an Art will have a happier time if he has some ideas of his own as well as an acquaintance with the fundamentals and the jargon of music. Although Mr. Weinstock does explain many technical terms, he takes for granted far more knowledge on the part of his reader than he is perhaps aware. . . Whatever his reasons for the chronological survey, Mr. Weinstock succeeds in making it interesting, not because he has any strikingly new ideas but simply because he has a way with words and he can make a statement about a piece of music that sends you to listen to it. One begrudges the space used to warn the reader about the stupid remarks made by stupid critics concerning, for instance, the lack of form in the works of the Romantics. The space might better have been devoted to discussions of the music. Also to be regretted is the too sparing use of musical examples." Doris Silbert

+ Music Lib Assn Notes 11:298 Mr '54 440w

"Mr. Weinstock is more concerned with forms and techniques than with history and biography, although, since he uses the chronological method, his book turns out to be a history of music after all. The text is very carefully boiled down. One feels that Mr. Weinstock has spent a great deal of time on

it and, has reworked every sentence until it carries a maximum charge. . . Whether or not it will accomplish its purpose is another matter. . . Readers already familiar with the history of music and capable of projecting Mr. Weinstock's book against an extensive background of listening experience will find the author stimulating, intelligent, and often illuminating." WEISINGER, HERBERT. Tragedy and the paradox of the fortunate fall. 300p \$5 Mich. state college press

101 [701.17] Tragedy. Paradox 53-2048

"Believing that the deep satisfaction derived from tragedy is similar to that derived from the ancient seasonal rituals of the symbolic combat, sacrifice, and resurrection of the divine king, Professor Weisinger reexamines the theory of tragedy, and traces the paradox of the fortunate fall from the ancient Near East through Greek, Hebrew, and Christian thought into the Middle Ages. He uses the studies of heroes by Sir James Frazer, Joseph Campbell and Lord Raglan, and especially the reconstructions of the seasonal ritual dramas of the Near East in Theodor Caster's Thespis." U S Quarterly Bk R

"Despite some of the inconsistencies and confusions that follow from Mr. Weisinger's method, his book contains many valuable insights and should stimulate further study in the relation between ritual, religion, and tragedy." Susan Taubes

+ Ethics 64:321 Jl '54 3800w

WEISINGER, HERBERT—Continued

"At its beginning Dr Weisinger's book promises to lead the reader into a fascinating study of the transformation of some of mankind's basic reactions to life and its aspirations to significance in a menacing universe; but it must regretfully be said that this promise is not fulfilled. The 'Myth and Ritual' theory, on which the author bases himself, is truly a pregnant hypothesis, but the validity of its employment in any particular context requires specialist justification which he does not provide." S. G. F. Brandon

Hibbert J 51:407 J1 '53 1600w

"This is a learned, fascinating, and exasperating book. . . Mr. Weisinger should have written either a shorter or a longer book: he should either have presented his conclusions succinctly or followed through his search for the anthropological background of tragedy with complete logical consistency. As it is, the book, while a remarkable achievement, is both congested and scrappy, part essay and part work of reference, the product of much thought and immense industry but of insufficient concern for the reader." David Daiches

+ — Manchester Guardian p4 My 19 '53 450w

"There is almost an excess of scholarly data on the parallels in primitive myths and rituals, for Weisinger furnishes a virtual anthology of hymns, legends, and accounts of rituals. This abundance is all the more curious in view of the comparative paucity of material about tragedy. Perhaps Weisinger intends to prove his very arguable points about tragedy in a later volume; here, however, it is approached only theoretically or by way of fleeting references to Oedipus and Hamlet." Henry Popkin

New Repub 129:20 S 28 '53 280w

"Despite a tendency to dramatise the evidence and a lack of trenchancy, Mr. Weisinger does reveal every so often an interesting critical mind: it seems a pity, therefore, that instead of treating again the tracts of anthropology he didn't study empirically some well-known tragedies and tragedians in the light of the paradox of the *felix culpa*. Perhaps, as he seems to hint, he may one day get around to doing this in another book." Anthony Curtis

+ — New Statesman & Nation 45:651 My 30 '53 600w

"A final section surveys the theory of tragedy in terms of the various philosophical accounts from Aristotle to Coleridge and his successors. . . This is by far the most interesting chapter, especially in its discussion of the modern audience's self-identification with the protagonists of tragedy, but it is all too brief; elsewhere too much of the book seems to follow a course which runs parallel to the drama but hardly ever comes to grips with it."

+ — Times [London] Lit Sup p522 Ag 14 '53 850w

"Although it may be doubtful that all heroes or all rituals can be equated to a single pattern, students of both literature and anthropology will find this study an interesting explanation of the wide appeal of the death and triumph pattern in ritual and tragedy."

Nation 178:426 My 15 '54 1700w

"Dr. Wertham's high-pitched argument is a tissue of troublesome points. His interview materials are presented with the scantest apparatus of criticism. . . . The research-minded second-thought is lacking in his observation that juvenile crimes of violence seem to have increased in the years of crime comic book ascendancy. . . . Dr. Wertham's argument tacitly assumes, in a largely unjustifiable way, his comprehensive knowledge of social structure and culture. This may be why he displays so little interest in or insight into such broad cultural themes as, for example, the thematic content of print." Reuel Denney

New Repub 130:18 My 3 '54 1400w

WERTHAM, FREDERIC—Continued

"His book is a carefully documented and serious work which merits reading by every one who is interested in the welfare of children. Are the comics blueprints for illiteracy and moral confusion and guideposts to crime, as Dr. Wertham tries to prove, or are they merely modern stories of folklore, as the 'experts' insist? I agree with Dr. Wertham as to the ugly, vicious, immoral and illiterate quality of crime and sex comics. However, children cannot thrive on a diet composed solely of 'sweetness and light.'" J. W. Murray

+ — N Y Herald Tribune Bk R p8 Ap 25 '54 800w

"Dr. Wertham's cases, his careful observations and his sober reflections about the American child in a world of comic violence and unfunny filth testify to a most commendable use of the professional mind in the service of the public." C. W. Mills

+ N Y Times p20 Ap 25 '54 850w

"At the moment, the comics are under attack again, and 'Seduction of the Innocent' has provided their enemies with some of their most potent ammunition. In many ways, it is an absurd and alarmful book, full of examples of the psychiatrist's peculiar gift for referring all abnormal behavior to one special stimulus, but the concrete evidence it offers of a real crime against the children seems to be practically unanswerable. I like to think that Superman and his pals are up against the battle of their perverse, fantastic, and foolish lives." Wolcott Gibbs

New Yorker 30:134 My 8 '54 900w

"Have you wondered about the so-called 'comic' book? If you've been worrying, and a lot of people have, you've got reason to worry, says Dr. Wertham. In his new 'Seduction of the Innocent' he presents the result of seven years' study of just this problem. It is one of the most shocking books in recent years. It can turn out to be one of the most influential if American parents would read it." J. H. Jackson

+ San Francisco Chronicle p19 Ap 19 '54 800w

"Whether or not one agrees with all of Dr. Wertham's conclusions, he has presented incontrovertible evidence as to some of the material now published in the name of 'comic books,' material which, even if not so potent a factor as he may claim in the causation of delinquency, is certainly a pernicious influence in the education of the young." WHEELER, POST. Hawaiian wonder tales; il. by Jack Matthew. 232p \$3.75 Beechhurst press 398.2 Folklore, Hawaiian 53-11681

A collection of retellings of the folk legends of Hawaii and of Pan-Polynesia. "The tales of this volume do not include the myths of the primal deities and the demigods that succeeded them." (Foreword)

"The classic themes of mythology appear in a fresh new setting, while the storyteller's devices of the recurring phrase and badinage have a strange new poetry. Will appeal to ten-year-olds but probably will be read by twelve-year-olds and up, due to length of stories and difficult names. With its beautiful format and vigorous black-and-white drawings by Jack Matthew, this is an outstanding book." E. J. Bowland

+ Library J 79:75 Ja 1 '54 90w

"A valuable book, 'Hawaiian Wonder Tales' belongs in the collection of every storyteller. And, since all the stories are complete in themselves, they should be given directly to the boys and girls, who will select their own favorites among them. Post Wheeler writes an interesting foreword, which should be of value to all lovers of folklore." M. G. D.

WHITE, ROBB. Midshipman Lee of the Naval academy. 216p il \$2.75 Random house.

54-5159

A story of life at the United States Naval Academy at Annapolis. Courtney Lee, junior, feared he was a coward and that he would disgrace the name of his hero father. But the discipline of the Academy, plus his own determination brought him out successfully. For ages twelve to sixteen.

"This tautly told tale, by an Annapolis graduate, both offers a realistic and graphic picture of life at the Academy and shows, thru a boy tormented by self-doubt, how its discipline and traditions help mold officers—and heroes." Polly Goodwin

+ Chicago Sunday Tribune p12 My 2 '54 180w

Kirkus 22:4 Ja 1 '54 120w

"Life at the academy is well presented, and, though some events seem improbable, the overall tone rings true. A fast-paced story for junior high boys who liked *The Secret Sea*. Recommended." G. P. Slocum

+ Library J 79:566 Mr 15 '54 70w

"This brisk tale, by an Annapolis graduate, conveys well the flavor of life at the academy and, moreover, possesses considerable depth. Readers will gain a clear idea of the work and discipline required to make a naval officer, and the spirit, reaching back to John Paul Jones, that has made our Navy strong." Howard Boston

+ N Y Times p24 Mr 14 '54 140w

WHITE, THEODORE HAROLD. *Fire in the ashes; Europe in mid-century*. 405p \$5 Sloane

940.55 Europe—Politics. U.S.—Foreign relations 53-10166

For descriptive note see Annual for 1953.

"It is with a deep sense of regret that I put aside Mr. White's volume. There is much in it that bespeaks keen powers of observation and sensitive response to injustice and misery. His discussion of the power struggle within Russia, for example, is distinguished by originality as well as analytical skill. As it is, infatuation with a shaky thesis and hasty generalizations destroy the book's usefulness. The title is indeed appropriate: fire in the ashes emits some heat and smoke but hardly any light." Robert Strausz-Hupé

— + Ann Am Acad 292:206 Mr '54 600w

Foreign Affairs 32:510 Ap '54 30w

"This book is a sympathetic and friendly study of how Europeans have faced their post-war problems. It has already enjoyed considerable success in the United States and deserves to do as well here." A. H.

+ Manchester Guardian p4 Je 25 '54 220w

"Mr. White does not present the facts in support of a continuous argument. Nor does he draw any theory from the facts he presents. Because his book is narrative rather than analytical in style, it is not a substitute for analysis of Europe's problems. There are psychological problems, such as the cause and treatment of neutralism; there are political issues—the matter of Germany's Eastern frontier, and the question of whether the position of Europe this side of the Iron Curtain can be unified; above all there is the military question—can Europe be defended or treated as a base in an atomic war? The questions are barely considered in *Fire in the Ashes*. It remains a fine and important affirmation

of faith in one of the few great projects of the West." M. S.

+ — New Repub 129:19 N 30 '53 320w

"Altogether this book is an admirable—even impressive—product of the journalist's trade, and a good advertisement for the old-fashioned idea that if you want to know about something, you ask, not scores of questions of thousands of people, but a few pointed ones of people who have something worthwhile to tell you." J. D. Scott

+ Spec p32 Jl 2 '54 280w

"Few volumes on recent Europe are so straightforward and informative. This work can give readers the understanding of the countries on the continent so necessary to provide a basis for a foreign policy that will enable the United States to exercise its leadership without arousing resentment." Donald Derby

+ Springf'd Republican p9C Mr 21 '54 380w

Times [London] Lit Sup p435 Jl 9 '54 750w

"Three qualities place *Fire in the Ashes* far above the usual run of journalistic reports on the state of Europe. First, Mr. White has graced his book with a style that is smooth, clear, and entertaining. Second, he has managed to treat the gamut of Western Europe's problems by a brilliant selection of significant illustrations, including three biographical character studies. Third, on the basis of the diagnosis he has made, Mr. White accepts the responsibility of saying how he believes the issues confronting Europe should be resolved. For the general reader, the book is informative and stimulating; for the expert, it is a masterful putting together of the balance sheet of Europe."

+ U S Quarterly Bk R 10:94 Mr '54 240w

WHITE, THEOPHILUS BALLOU, ed. *Philadelphia architecture in the nineteenth century* [pub. for the Philadelphia art alliance]. 36p il \$3.50 Univ. of Pa. press

720.9748 Architecture—Philadelphia 53-7853

"Published in conjunction with an exhibition held at the Art Alliance during the summer of 1953, this catalog provides a pictorial survey of nineteenth-century Philadelphia buildings, together with brief historical notes. As the book attests, Philadelphia, one of the great architectural centers of this country, possesses a wealth of important buildings from the era." U S Quarterly Bk R

"Recommended." A. S. Plaut

+ Library J 78:1535 S 15 '53 130w

"The illustrations of the buildings are handsome, and the new photographs by John R. Wells are superb. Although the two introductory essays contribute a brief historical perspective, they do not constitute the systematic and scholarly history which is so much needed in their field. Because there is in the arrangement of the volume no discernible order of styles, building types, or chronology, and there are occasional omissions of dates, architects' names, and pertinent critical comment, the reader may experience difficulty in reaching a proper sense of sequence in the architecture, or in relating it to the main trends."

WHITE, VICTOR—Continued

"Again the author has been able to hold the reader's interest to the end. For the large fiction collection." J. D. Marshall

+ Library J 79:2212 N 15 '54 120w

"The dominating figure of a long series of novels should seem to be a man of quality. Let him be as fallible as Faust he must still be, like Faust, a creator whose creative drive commands respect. This asset Victor White fails to give Peter Domanig. He never really takes the high ground. His significance is blurred now by smugness, now by concessiveness. . . . He has unhappily something of the look of a latter day Horatio Alger character, shot with 'pluck and luck', but carrying a heavy consignment of Freudian neuroses." James Gray

N Y Herald Tribune Bk R p8 N 28 '54 650w

"In reading 'Steel,' one could only be impressed by Mr. White's knowledge of technical and managerial processes. Obviously he has worked as hard to make the background of 'Brass' authentic, and if he has sometimes erred in minor details, he has faithfully portrayed the speakeasies and restaurants of the middle Twenties, the Village studios, a campus of Smith College, and so on. But background, important as it may be, is only background, and in the foreground we have the love affair of two remarkably unsophisticated young people described in great detail and with considerable naïveté." Granville Hicks

N Y Times p34 O 31 '54 450w

"Mr. White's prose style is quite unlike anything I am familiar with in contemporary fiction. Peculiarly dated, filled with the mannered flourishes of a more leisurely era than we imagine our own to be, it expresses a kind of earnest and humorless naïveté which is alternately irritating and charming. Also, it is so conscientious in its effort to render with meticulous exactitude the quality of each scene that it often smothers itself in qualifications. But what begins to be apparent is that the characteristics of the style are also the characteristics of the trilogy's hero, and perhaps more suitable for the telling of his story than we had at first thought." Jerome Stone

+ — Sat R 37:41 O 30 '54 360w

WHITE, VICTOR. Peter Domanig in America: steel, 476p \$3.95 Bobbs

54-6500

This second novel about Peter Domanig (Peter Domanig: Morning in Vienna, Book Review Digest 1944) is the first in a projected trilogy. In this story Peter's life is described during his first three years in America. Peter arrives in this country after World War I at the age of seventeen and goes to Pittsburgh to make his way in the steel industry. At the novel's end, Peter, aged twenty, is beginning a career with Hearn Radio Laboratories.

"This is an ambitious work, often realistic in detail and alive with real people." Gilbert Laue
+ Chicago Sunday Tribune p5 Mr 28 '54 300w

"This novel is an excellent description of growing industrial America, and the story of Peter Domanig is one which holds the reader's interest." J. D. Marshall

+ Library J 79:627 Ap 1 '54 170w

"The work as a whole may very well prove to be impressive. But this book, considered alone, seems to offer rather a narrow bridge between memories and hopes much as any man's adolescence may be said to provide a link between the flushed excitements of boyhood and the deep satisfactions of maturity. . . . Peter is, however, no stock figure. He is much more interesting than the immigrant of past novels, fighting up from the submerged depths of society." James Gray

+ — N Y Herald Tribune Bk R p8 Mr 28 '54 800w

"To a degree industry is the real hero of the novel and Mr. White catches much of its color

and drama. That, however, is nearly all that he has caught. What was happening to American society in the years after World War I interests him as little as it does his hero. Moreover, though we know how Peter got ahead, we do not feel the forces that drive him. It is surprising that we lose in this book any real sense of Europe as Peter's background. He seems, indeed, to belong to a solid, though no longer fashionable, American tradition—that of the heroes of Horatio Alger." Granville Hicks

+ — N Y Times p5 Ap 4 '54 450w

"Mr. White's book is quite staggering in its length and in its almost alarming richness of details, and his young hero looms a little too large to allow ordinary eyes to contemplate him with full understanding."

New Yorker 30:131 Ap 3 '54 100w

"The author has set himself an ambitious task in this series, and goes at it with dogged conscientiousness. His style, as well as his subject matter, might be called Dreiserian, thus relating him to an important figure in our literature. But Dreiser, with all his laborious massiveness, doesn't crush out the life of the nuance, and he does communicate living passion. This Mr. White achieves all too seldom." Jerome Stone

WHITE, WILLIAM SMITH. Taft story. 288p 11 \$3.50 Harper

B or 92 Taft, Robert Alphonso. U.S.—Politics and government—20th century 54-6035

"[A biographical essay which] shows how Mr. Taft, more than any one else, preserved the Republican party as an instrument of government even though the only nationally elected Republican administration since 1928—the Eisenhower administration—appears to be less and less an instrument of Taft Republicanism. Mr. White deals with Senator Taft's failings and his failures—his failing to grasp adequately the meaning of world events which have borne so powerfully upon America during the past twenty years; his failure to shape either a policy or a party which ever won a Presidential election. 'The Taft Story' does not offer itself as a definitive biography. It isn't. It is just an excellent beginning." N Y Herald Tribune Bk R

WHO'S who in American art; ed. by Dorothy B. Gilbert [sponsored by the Am. federation of arts]. (V5) 557p il \$17.50 Bowker

927 Artists, American

"Biographical directory of contemporary artists in the United States and Canada. . . As in earlier volumes, artists included in the current volume are those who have had work included in recognized exhibitions, in recognized public collections or in public buildings, who have had original illustrations published, who are professional craftsmen or designers, or who have achieved distinction in a particular phase of art. . . The biographical notes have been edited from the questionnaires returned

by the artists. . . Canadian biographies, separated into a second alphabetical listing for the first time in volume 4, 1940-1947, appear in the present edition in a section following the American biographies. A geographical index lists names alphabetically by city under state, province, and foreign country, and the specialized occupation of each artist is indicated after his name." Subscription Bks Bul

"Who's Who in American Art presents ■■ unusually extensive listing of living American artists. For this reason it is recommended in spite of occasional lack of revision for all large libraries and special art libraries or collections, and for any library where an interest in the field of contemporary art and artists is evident."

WHO'S who in Egypt and the Near East, 1953; the greatest biographical work in the Middle and Near East; Egypt, the Sudan, Libya, Cyprus, the Lebanon, Syria, Jordan, Iraq and Saudi-Arabia; managing ed: E. J. Blattner; assistant ed: J. E. Blattner. (V 19) 644p il \$14 Heinman

920 Egypt—Biography. East (Near East)—Biography (45-33763)

"Who's Who in Egypt and the Near East has been published annually since 1935. Up to 1947 it was entitled Le Mondain Egyptien, The Egyptian Who's Who; from 1948 to 1951 the title was Who's Who in Egypt and the Middle East. The present title has been used since 1952. The Foreword states that it is 'recognized in Egypt, the Middle and Near East and all over the world as the most comprehensive and authoritative source of biographical information about the prominent personalities, scientists, eminent politicians, business executives, jurists, lawyers, industrialists, bankers, doctors . . . etc. in Egypt, The Sudan, Libya, Cyprus, The Lebanon, Syria, Jordan, Iraq and Saudi Arabia. . . ' This work has not been previously reviewed in Subscription Books Bulletin. The contents of this volume are divided into ten parts: nine sections devoted to descriptive and directory information for each of the countries mentioned above and the who's who section which comprises about two-thirds of the book." Subscription Bks Bul

"Variant forms of spelling Arabic names make appraisal of coverage of this volume both difficult and unrewarding, since failure to locate a name is not conclusive evidence that the name does not appear in the list under a different spelling. . . The information provided about the countries of this region is readily available in more systematic and authoritative form in other works. It is apparent that this work is primarily a commercial venture which, for lack of a who's who of comparable coverage, will be of use to those who have close business, political, or professional dealings with persons in the region of the world covered. Who's Who in Egypt and the Near East is not recommended generally for library purchase."

WIBBERLEY, LEONARD. *Mrs Searwood's secret weapon*; il. by Warren Chappell. 294p \$3.50 Little

54-5107

A present-day fantasy in which a middle aged English widow living in wartime London is protected by the ghost of an American Indian. In London and later in a small village Mrs Searwood goes her charming way, almost always accompanied by the invisible (to all but her) Chief White Feather. But in the end it was Winston Churchill himself who granted Mrs Searwood's greatest need.

Booklist 50:260 Mr 1 '54

Bookmark 13:108 F '54 30w

"Mrs. Searwood's Secret Weapon' is delightful spoofing thruout. Wibberly triumphantly secures suspension of disbelief by cavalierly ignoring it. This is the kind of book Trollope or Angela Thirkell might have produced if their talents had embraced fantasy." Edward Wagenknecht

+ Chicago Sunday Tribune p3 Ja 31 '54 290w

"Mr. Wibberley skillfully employs the technique of mingling homely and completely convincing details with the otherwise incredible feature of his story. The result is, of course, that the whole acquires a pleasant air of verisimilitude which lasts as long as it is needed—that is, until the reader has finished the novel. He should read it rapidly, to make sure that it does last that long. For the reader who will go along with this harmless illusion, the story is highly entertaining and delightful."

+ Christian Century 71:675 Je 2 '54 130w

"A nonsense tale which has its touch of commonsense, this is a warm and friendly fantasia."

+ Kirkus 21:769 D 1 '53 150w

"Innocent and very amusing 'pastime' literature." J. L. Ross

+ Library J 79:385 F 15 '54 60w

"The more outrageous the story becomes, the more, somehow, we are convinced of its plausibility. . . A dozen faintly old-fashioned line drawings by Warren Chappell, perfectly suited to Mr. Wibberley's style and story, add to the pleasures of an exceptionally warm and entertaining book. No happier literary surprise than 'Mrs. Searwood's Secret Weapon' is likely to turn up in 1954." Dan Wickenden

+ N Y Herald Tribune Bk R p7 Ja 31 '54 550w

"Mr. Wibberley tells a good story which should appeal to those who appreciate a run of fancy in a solidly real setting. Lightly bridging the youthful and adult worlds, this could be a mutually satisfactory choice for parents who read aloud to their children." Nancie Matthews

WILKINS, ERNEST HATCH. History of Italian literature. 523p \$7.50 Harvard univ. press

850.9 Italian literature—History and criticism 54-5185

“A convenient chronological record, for English and American readers, of the development of Italian literature from the 13th century to the present time. Emphasis, however, is on the writers before 1800; three chapters are devoted to Dante, and one chapter each to such writers as Petrarch, Boccaccio, and Mazzoni. Sufficient social and political history is included to provide the necessary background, and the interplay of influences between English and Italian literature is featured. The appendix contains a selective list of English translations and of books in English dealing with Italian literature.” Library J

Booklist 50:415 Jl 1 '54

“The book gains in vividness by Professor Wilkins' method of dealing with the major writers and their significance rather than with genres or literary movements. As seems inevitable, the Mediaeval and Renaissance periods are treated most fully, though the chapters on such great figures of later centuries as Vico, Alfieri, Manzoni and Carducci are very illuminating. Apart from the principal writers, however, the treatment of the 19th century (extremely rich, despite its po-

litical preoccupations) is somewhat disappointing, as is the bibliography which comprises only works in English, not always of a stature commensurate with their subjects. Notwithstanding these objections, Professor Wilkins' book will be invaluable to all students of Italian literature or of any of the literatures which owe it so great a debt.” B. M. Corrigan

+ Canadian Forum 34:167 O '54 420w

“The author, President Emeritus of Oberlin College, has written and lectured on the subject over a period of years, and brings to it ■ wealth of carefully integrated material, and a lively interest as well. Recommended for college and university libraries, for public libraries serving students and for general reference.” B. B. Libaire

WILLOUGHBY, CHARLES ANDREW, and
CHAMBERLAIN, JOHN. MacArthur, 1941-
1951. 441p il \$5.75 McGraw

B or 92 MacArthur, Douglas. Korean war,
1950-. World war, 1939-1945—Pacific Ocean
54-11277

"A 'headquarters story,' an attempt to describe and evaluate Gen. Douglas MacArthur's military leadership during the Pacific War and its aftermath, with special emphasis on the political, economic and strategic consideration which influenced his decisions. That Gen. Willoughby is in a unique position to tell this story is indisputable, for not only did he serve as MacArthur's chief of intelligence during the entire decade, he was also in charge of the preparation of the now-famous 'MacArthur histories,' which reached the galley stage but have never been published." (N Y Herald Tribune Bk R) Index.

Chicago Sunday Tribune p3 O 3 '54
700w

"What one fails to understand is General Willoughby's frequent intimation that while MacArthur was being curbed in Korea, officials in Washington were secretly tipping off the Chinese Reds so that they could seize an advantage... One cannot but wonder at his flat statement that Washington turned down MacArthur's request for Chinese Nationalist reinforcement in Korea, after the general himself testified before Congress in 1951 that the addition of such divisions to his command would have been 'like an albatross around our necks.'... Nevertheless, despite these rather obvious disadvantages, General Willoughby's book makes worthwhile reading and, at times, is a significant contribution to history in the Pacific. One can only hope that sometime a more impartial analysis based upon comparable information and proximity to the scene, can be produced about a famous general whom history has yet fully to evaluate." See Harrington, R., il.

WILSON, EDMUND. *Five plays.* 541p \$6.50
Farrar, Straus

812

54-5432

"To the three plays published in book form
by the New Republic in 1937 as 'This Room and
This Gin and These Sandwiches' and a re-
written version of 'The Little Blue Light,' pub-
lished separately in 1950, Mr. Wilson has added
a new play, 'Cyprian's Prayer,' to present a
collection of his dramatic works to date."
New Yorker

"Mr. Edmund Wilson's Five Plays are not
his best work. The quality that makes him

such a good critic—a searching, even voracious
intelligence—seems to be his chief defect as ■
playwright: he tries to put too much in." J. R.
Manchester Guardian p4 Ap 30 '54 90w

"However unwilling he may be to admit the
fact, Mr. Wilson's intelligence is a critical intel-
ligence and his most conspicuous talent as a
writer is the talent of an expositor. No reader
would be likely to suppose that stories come to
him in dramatic form because it seems evident
enough that what interests him in every case
is an idea or a complex of ideas rather than a
story. And it is the conflict between ideas, not
the conflict between characters, which provides
whatever vivid drama there is." J. W. Krutch

N Y Herald Tribune Bk R p6 Ag 22 '54
750w

"The plays are a shrewd natural history of in-
tellectual and Bohemian New York, and at the
same time a record of Mr. Wilson's own think-
ing. They should fascinate readers of several
kinds." Francis Fergusson

N Y Times p4 Ag 15 '54 650w

"The three early plays have the tattered and
musty quality of programs saved from Prince-
ton dances and Greenwich Village theatricals,
and they share with 'The Little Blue Light'
the talky quality that derives from inadequate
or unconvincing dramatic action. The new play,
however, shows Mr. Wilson's greatly increased
control over his recalcitrant medium, along
with a new, high-spirited humor."

New Yorker 30:104 Je 19 '54 150w

"His plays are not his best work. Like his
other writing, they are intelligent and pro-
fessionally skilful, closely involved in the tra-
dition of experimental American drama." M. B.
Spec p446 Ap 9 '54 400w

"It may be observed that Mr. Wilson is a
literary man in love with the theatre. This is
not such a bad thing as many people suppose.
Feats of skill in playmaking are common
enough, and so are monstrous impositions of
the playwright's personality—witness Mr. Wil-
liam Saroyan. Even so, these plays by a most
distinguished man of letters are disappointing
and leave the impression that Mr. Wilson the
critic would treat them severely, had he not
written them himself."

WILSON, MRS ETHEL DAVIS. Swamp angel. 215p \$3 Harper

54-9003

Character study of Maggie Vardoe, who fled from her second husband, in Vancouver, to the freedom of the Canadian north woods where she had been so happy as a child. A secondary character, Mrs. Severance, a former circus performer, owned a revolver called Swamp Angel, which gives the book its title.

Booklist 51:17 S 1 '54

"The fact that a story as simple as 'Swamp Angel' can be so filled with warmth and greatness of heart and understanding and humor and still seem so casually told, is probably what gives the book its invigorating air of freshness." Fanny Butcher

+ Chicago Sunday Tribune p3 Ag 29 '54 350w

"The story is told simply, but with rare charm. While it shifts from one group of people to another, the pieces still fit into the larger whole, and the author makes one really care what happens to each. I liked it."

+ Kirkus 22:369 Je 15 '54 200w

"The novel contains many passages of great beauty. . . . The author is able to delineate an emotion with the same skill, and the volume is full of small and bright surprises. The essay on the mystique of fly-fishing is one which would hardly be expected from a feminine pen. But the story, as a whole, is inconclusive." Coleman Rosenberger

+ N Y Herald Tribune Bk ■ p4 S 5 '54 400w

"This simple tale is told in the low-pitched and gentle style which readers of 'Lilly's Story' found so refreshing. . . . Unhappily, the reader's interest in Maggie is constantly being diverted by a series of flashbacks to her Vancouver friend Nell Severance, a garrulous 78-year-old of cloudy philosophy and somewhat tenuous connections with the plot." Stuart Keate

+ N Y Times p17 Ag 29 '54 450w

"In many ways this deceptively casual story of the rebirth of a bruised and desperate adult is tantalizingly fragmentary. The characters appear, catch our imagination, and disappear with the maddening inconsequence of real life. . . . The style in which 'Swamp Angel' is written is a curiously varied one, illuminated by occasional flashes of most engaging originality. . . . 'Swamp Angel,' whatever its weakness, is an unusual and delightful book." Pamela Taylor

+ Sat R 37:22 S 4 '54 550w

"The telling is smooth, the tone of voice low, the language economical; yet from the quiet but powerful opening to the last Excalibur flight of Swamp Angel the story troubles the mind with overtones and reticences, as if each chapter were a moon with a hidden side more

important than the one which Mrs. Wilson shows us." L. A. G. Strong

WINCHELL, ALEXANDER NEWTON. Optical properties of organic compounds. 2d ed rev & enl 487p il \$12 Academic press

547 Chemistry. Organic. Optics, Physical. Crystallography 54-6347

"A reference book of data on the crystallographic and optical properties of organic compounds. Its purpose is to aid chemists in the identification of organic compounds. It is arranged in accordance with the scheme of Beilstein's Handbuch der Organischen Chemie, and there is a comprehensive alphabetically arranged index. The first edition, published in

WINCHELL, A. N.—Continued

1943, contained data on about 1500 compounds. In this second edition data are given on more than 2500 substances. As in the earlier edition, literature references are supplied for all of the data presented." N Y New Tech Bks

"This work is a valuable part of the literature of descriptive and analytical chemistry, and deserves to grow through many editions. It is not the fault of the author that the coverage is such a small part of the list of solid organic substances; he has contributed many original data as well as critical evaluation of those of others. . . this is a good book." WINSTON, RICHARD. Charlemagne; from the Hammer to the cross. 346p \$3.75 Bobbs

B or 92 Charlemagne 54-10850

A biography of Charlemagne "giving us not only the man of action, the mighty hunter and lover, and the greatest conqueror since Alexander but also ardent student of theology, the political reformer, the intellectual and the patron of intellectuals, and the monarch who, with the aid of the English scholar Alcuin, can be said to have laid the foundation of modern education." (New Yorker) Bibliography. Index.

Booklist 51:131 N 15 '54

"To penetrate the mist of legends, to peer behind the pageantry and distill the facts from the dust of chronicles and parchments is a challenge and Mr. Winston meets it expertly. His picture of Charlemagne is somewhat too flattering but it is recognizable and convincing. His analysis of eighth-century Europe is clear, sane, and authentic. His judgment on debatable questions proves him a scholar of vision and insight with a fund of saving common sense. He has given us one of the most carefully written and most readable biographies of Charlemagne available in English." Geoffrey Bruun

+ N Y Herald Tribune Bk R p5 O 31 '54 450w

"A biography which gives the interested general reader a well-written, colorful and well-balanced account of Charlemagne's life and the environment in which he lived. He has handled controversial questions with a blend of courage and caution. When the point at issue seemed to him to make little difference, he ignored the controversy and chose the solution that pleased him best. As a rule the result

is entirely satisfactory for his purpose. Only occasionally . . . does the method lead to more confusion than it avoids." Sidney Painter
+ — N Y Times p20 N 14 '54 750w

"The author of this well-written and responsible book, while always mindful of the legend, has concentrated on the flesh-and-blood man and his accomplishments. . . . As Mr. Winston presents him, in the context of his strange time and as a sort of focal point in a great struggle between the forces of enlightenment and darkness, he is very real."

+ New Yorker 30:189 N 6 '54 240w

"As a whole the book, though possessed of many excellences, lies too much on the surface. The account lacks depth and a certain historical three-dimensional quality. But it remains the best life of Charlemagne in English."

Ethics 64:330 J1 '54 400w

"It is almost impossible to arrive at a just appreciation of Wittgenstein's work at present. Whereas his admirers hail the publication of this new book as a most important event, competent scholars confess that they are frankly disappointed. It is, moreover, doubtful whether the author himself would be very pleased with the *éloges* showered on him. His unique case is that two philosophical schools, the Formalists and the Common Usage School, are profoundly influenced by him and that, nevertheless, he disowned both of them... Within the limits of this short review it is quite impossible to discuss the detailed analyses of thinking, reading, perceiving, etc. which form the bulk of the book. The reader will be helped by the confrontation of the German text and Miss Anscombe's reliable translation which only occasionally transforms a hare into a rabbit." F. H. Heinemann

Hibbert J 52:89 O '53 1000w

"A strange brilliant work, a book that will always be one of the great curiosities in the literature of philosophy. Written in an elegant, aphoristic style, idiosyncratic to a degree, it reveals the mind, the temperament of the writer as successfully as if it had been a work of a more intimate character." Richard Wollheim

+ New Statesman & Nation 46:20 J1 4 '53

"Some big libraries will want; others won't touch." R. H. Dillon

Library J 79:1402 Ag '54 160w

Nation 179:265 S 25 '54 190w

"Stanley Wolpert has packed a lot into 'Aboard the Flying Swan': keen observation of men's talk and behavior, a startling life-like picture of our merchant marine, a sincere belief in the seafaring unions, colorful descriptions of the sailor ashore in South America, a clear picture of how men manipulate other men. His style is dense, and sometimes clumsy. But he has written quite a book in his first try." Taliaferro Boatwright

+ — N Y Herald Tribune Bk R p6 Jl 25 '54 320w

"This first novel has all the virtues and defects of its class. The writing is bravely unedited, and plausibility is freely sacrificed in the interest of high feeling. A reckless use of melodrama saves the day in critical spots where the narrative must march or perish, and one minor character is fully realized. Most pleasing feature is the atmosphere of youthful challenge to the forces of evil—an attitude without which this world, not to mention publishers' listings, would be barren indeed." E. B. Garside

+ — N Y Times p15 Jl 18 '54 400w

"'Aboard the Flying Swan' is something refreshing; a first novel with a plot, and with a hero who does things with his hands as well as with his psyche. . . Mr. Wolpert ably evokes the manic gaiety of their liberties in South American ports, and the heat, noise, and sweat of their life aboard ship. It is not often nowadays that such competent literary recognition is given to the men who tend the fire in the heart of a ship and lead its power into turbines and propellers." T. E. Cooney

WOLSELEY, ROLAND EDGAR. *Face to face with India*; il. by Kurt Wiese. 176p \$2.50; pa \$1.25 Friendship press

954 [915.4] India

54-6191

In 1952 the author, professor of journalism at Syracuse University, went to Nagpur, India, to help establish a department of journalism in a Christian college. During his stay he took notes on various aspects of Indian life and here writes on such subjects as: work; education; food; health; weather; crime and justice; politics; and religion.

"In spite of its U.S.-Christian viewpoint, it presents an intimate picture of the Indian which is worthy of consideration by young people." E. H. Speer

+ Library J 79:1328 Jl '54 100w

"It is difficult to say for whom this work was written or what purpose it may serve. Nearly every chapter is burdened with the historically absurd inference that only Christians are good and/or conversion to Christianity is India's best hope. Perhaps young missionaries will read it, but they would be well advised to seek wider horizons and broader minds. The book is nicely designed and illustrated with simple drawings by Kurt Wiese." W. C. Clifford

A WOMAN in Berlin; with an introd. by C. W. Ceram [pseud] tr. from the German by James Stern. 319p \$4 Harcourt

940.54 Berlin—Allied occupation, 1945—World war, 1939-1945—Atrocities

54-9726

"A German woman whose name might well be legion tells in diary form of her days from

April 20 to June 22, 1945, the months of the Russian invasion of Berlin. It is a drab story, concerned primarily with the men who raped her, how she learned soon to attach herself to one officer or another for protection from the many and for minor sustenance." Kirkus

Booklist 51:104 N 1 '54

"Despite the sordid subject the book gives a record of life at low ebb in which the victims emerge scarred but unbowed."

Kirkus 22:611 S 1 '54 240w

"The book will be read and discussed, much as it is not for the squeamish. While the physical detail is matter-of-fact and should not, in itself, offend, libraries will want to examine before purchase." R. B. Robertson

Library J 79:1819 O 1 '54 210w

"The fear and fury of the rape of Berlin are now told in a remarkably controlled book, a diary kept as a sort of self-therapy during those nightmare days by an educated young woman of good family. This is not fiction nor is it propaganda; it is brutal fact. The author, who had traveled extensively in Europe, including Russia before the war, was more than an eye-witness to the Russian conquests." Ann Stringer

WOOD, PLAYSTED. Beckoning hill. 465p
\$3.95 Longmans

54-7677

Family chronicle covering the period 1885 to 1905. The scenes are variously London, Scotland, upstate New York, and Brooklyn. While the four Stapely children were in their parents' New York state home they more or less followed family precepts. It was when they left home for their own careers that the parents had cause to be either proud or amazed.

Booklist 50:343 My 1 '54

"A domesticated saga which is long, and leisurely, for a conventional, conservative market."

+ Kirkus 22:163 Mr 1 '54 190w

"The book is dull, despite the vivid contemporary background material which is laid on not with a trowel but with a shovel. This is a strange case of good material and persistent writing adding up to a total considerably less than its parts. Time and again a character flashes with life for a few pages; an incident seems about to flame up and illuminate something important, then the flame gutters out."

Hal Borland

— + N Y Times p14 Je 20 '54 360w

"While the Stapely family members at times exhibit signs of becoming quite interesting, they never reach full dimension. This is partly the fault of a nervous plot structure, which jumps about from character to character and place to place in a confusing manner, but chiefly can be blamed on the author's preoccupation with place rather than people and their motivations. . . . It is for the meticulousness of scene that his novel can be read with profit and not for the fortunes of the Stapelys."

WOODFILL, WALTER L. Musicians in English society from Elizabeth to Charles I. 372p il
\$7.50 Princeton univ. press

780.942 Musicians, British. Music—England
52-8783

"An important contribution to the socio-economic history of those who earn their living by the practice of music, this volume presents documentation of the activities of musicians attached to municipalities, courts, households, and ecclesiastical institutions as well as of lowly free-lancers and highly-placed cultivated amateurs. The nature of the evidence compels a re-assessment of the role of musicians in English society (1558-1640), and of the attitude of that society towards music." Library J

"Mr. Woodfill has made a brilliant contribution to the study of the economic and social status of the professional musician in Renaissance England, and produced an indispensable source for anyone interested in Elizabethan music and culture. The emphasis on economic realities reveals the important role of the stable professional, upon whom the continuity of musical culture so largely depends." H. G. Mishkin

+ Am Hist R 59:683 Ap '54 200w

"The author, a teacher in the Department of History of the University of Delaware, writes simply and well, and somehow manages to rise way above any morass of details into which the sheer abundance and weight of his evidence might have plunged him. Excellent bibliography." C. K. Miller

+ Library J 78:2220 D 15 '53 170w

"This book is such a valuable piece of work that it must seem ungrateful for a reviewer to wish that something more had been done with the material. Facts, no matter how well organized and presented, cannot recreate the life of an age; some imaginative interpretation is required, and this the author has deliberately excluded from his presentation. . . . As it stands, the scholar will find the study tremendously valuable, but the layman will find it dry, and the librarian, caught between the conflicting demands of the two, will deplore the fact that a more successful balance of their interests could not have been met." Vincent Duckles

+ — Music Lib Assn Notes 11:101 D '53 800w

"Dr. Woodfill makes no attempt here to describe or evaluate the music of the period, his interest lying almost entirely in problems of employment, laws restraining the activities of vagabond musicians, and other practical matters. . . . This work offers points of departure for many other investigations and will undoubtedly be a valued reference book for many years. It is unfortunate that the literary style is cumbersome and dull; the book will attract few general readers."

+ N Y Herald Tribune WK R p1 F 21 '54 1000w

"'A Writer's Diary,' as it reaches us, never shifts from its focus: it is internal. Its continuity is not merely a continuity; it is Virginia Woolf. Here we have what she was and what she was for. . . The diary gives no impression of having been stripped down. Here certainly is no mechanic's workbook, nor is mood absent—rather, the whole vibrates with the ups-and-downs of a passionate relationship. Infinitely disliking to be 'a woman writer,' Virginia Woolf shows herself most a woman in the intensities, variations, alarms and excursions, panics and exaltations of her relationship to her art. As in all love, harmony was the happiness." Elizabeth Bowen

WORCESTER, DEAN AMORY. *Fundamentals of political economy*. 594p \$4.50 Ronald

330 Economics. U.S.—Economic policy
53-6204

"Professor Worcester has written an introductory text for a one-semester course in economics that stresses problems and policy. Believing that 'more economics can be absorbed in an introductory course if it begins with what the students already know and are interested in and then works toward unfamiliar and, therefore, unappreciated areas', he has tried to save the unwary student from the pitfalls of rigorous analysis." Am Econ R

"The great virtue of the text is that it is interesting. This is no mean achievement in a day when the typical text has remarkable powers of inducing sleep. Throughout the book Worcester has carried over the theme of Part I and has compared some of the organizational features of the American economy with socialist economic organization. Although this sometimes establishes in the reader's mind an unreal dichotomy between American capitalism and other forms of economic organization, it imparts to the book a freshness of outlook that is most welcome." WRIGHT, ARTHUR FREDERICK, ed. Studies in Chinese thought; with contributions by Derk Bodde [and others]. 317p il \$4 Univ. of Chicago press

181.1 Philosophy, Chinese 53-13533

"A symposium with nine participants, all but two of them Americans and all but three American-trained." (N Y Times) "The contributing scholars are specialists in various phases of Chinese thought at Harvard, Pennsylvania, Columbia, Stanford, and California Universities. Four of the papers deal with Chinese philosophy in its Confucian aspects; one with modern Chinese thought; one with symbolism in Chinese art; and four with problems of interpretation and translation. One of the contributors, I. A. Richards, though disclaiming a specialist's knowledge of the Chinese language, carries further in his essay, Towards a Theory of Translating, the thoughts he expressed in 1932 in his book, Mencius on the Mind. . . In his long Introduction, Dr. Wright sketches the main problems of the field and, by means of brief comments and summaries, shows how the remaining essays fit into the general scheme." (U S Quarterly Bk R)

"With its discerning studies based upon mature use of original sources, the volume represents a very considerable achievement for American scholarship. It is worth noticing, also, that each of the contributions published here is a by-product of extensive previous study in the subject discussed. . . This reviewer is not certain that the article by Professor Arnold Isenberg on the process of interpretation and that by Professor I. A. Richards on a theory of translating should have been included. Both deal with general problems of communication rather than with any problem of communication or interpretation specifically relevant to Chinese thought." E. G. Beal

Reviewed by R. S. Israel

San Francisco Chronicle p26 N 21 '54 550w

"In the spring of 1953, fortified by reading from 'bourgeois sources' and armed with the usual letters of introduction, Wright went to the Gold Coast. What he has produced out of that experience is a book as extravagantly overgrown as one of Africa's own forests. Indeed, much of 'Black Power' is impenetrable. Part of the difficulty is due to the writing and the organization, but part is also due to what can be defined only as the author's insatiable hunger for emotional and intellectual experiences outside his chosen frame of reference." WRIGHT, WILBUR, and WRIGHT, ORVILLE.

Papers of Wilbur and Orville Wright; including the Chanute-Wright letters and other papers of Octave Chanute; Marvin W. McFarland, ed. 2v \$25 McGraw

B or 92 Aeronautics—History 53-9015

"Two volumes containing some 1,200 letters, papers, diagrams, and rare pictures from the brothers' personal collection. Willed by Orville Wright to the Library of Congress, this collection has been annotated and edited by Marvin W. McFarland of the aeronautical division of the Congressional Library under the sponsorship of Oberlin College, and published in honor of the fiftieth anniversary of flight. Here we learn at firsthand how, with almost incredible confidence, the Wright brothers sought information from the best sources then available. They had become interested in flight through aeronautical toys given them by their father, Bishop Milton Wright of the United Brethren Church, and from their own youthful experiments in building duplicate aeronautical toys." Christian Science Monitor

"Mr. McFarland's extensive editorial notes add immeasurably to the value of the Papers. He and his staff of able assistants have not only explained for the lay reader the meaning of many technical terms but, more important, they have clarified numerous incidents and events, mostly the personal relations between the Wright brothers and those persons with whom they had business deals, not always the most friendly." J. W. Oliver

+ Am Hist R 60:134 O '54 650w

Christian Science Monitor p9 D 14 '53 900w

"This book contains great national treasure. Like Lincoln, the Wrights are inexhaustible as a subject for the biographer. . . This book contains excerpts from their letters, notes and diaries. Unfortunately, it documents only the invention of the airplane, and does not throw new light on the brothers' earlier personal

history. Fortunately, on the other hand, the book contains also a highly intelligent selection of letters to the Wrights." Wolfgang Langewiesche

+ N Y Herald Tribune Bk R p1 D 13 '53 1400w

"These two volumes constitute source material for future historians of aviation. They have no counterpart for the completeness with which the evolution of a remarkable invention is disclosed, unless it be the notes and sketches of Leonardo or the notebooks of Thomas A. Edison. The editor, Marvin W. McFarland, has supplied valuable supplementary information in his interpretive footnotes and has added appendices which the general reader will find too technical but which had to be included for the record." YENTZEN, VURRELL. Feast for the forgiven.

247p \$3 Appleton

54-7694

Thru the eyes and emotions of the child herself this story tells how Clotillia, watching the tragedy which takes place in the world of adults, learns the truth about life and about herself. The scene of the story is the plantation home of the Landrys in the bayou country of Louisiana.

"A strange and frequently unpalatable book. Too Latin for our Anglo-Saxon sensibilities, perhaps."

Kirkus 22:207 Mr 15 '54 280w

"Mr. Yentzen makes the child's world convincing, the adult world plausible. The dialogue has flavor and humor—though the conversational mannerism of the double negative becomes obtrusive in its repetition. The characters, Père Paul, the aunts Annette and Cecile, the cook, the boy André, are sketched with a sureness of touch." Coleman Rosenberger

+ N Y Herald Tribune Bk R p5 My 9 '54 370w

"Some may find a few of his scenes, his use of five (and also four) letter words over-strong. But the young writer has a good understanding of his locale and his people, of the motivations of their lives, and also a sharp comprehension of children, of the cruelties, the irritations and yearnings of the young. To the general reader the book may seem rather heavily regional, too unrelieved in its preoccupations. Nevertheless this first novel is an interesting and creditable work." H. T. Kane

+ — N Y Times p14 Ag 1 '54 450w

YERBY, FRANK GARVIN. Benton's row.

\$3.50 Dial press

54-10533

"Tom Benton is the man, the renegade from Texas, who rode out of the sunset into a little Louisiana bayou town in 1842, took in adultery one Sarah, the wife of a circuit riding preacher, married her after the minister's suicide, and in the small span of 18 years altered the life of the little community so completely that it never quite escaped his stamp. This, too, is more rightly the story of Sarah, who transcended the Benton line and the Dupre line as well. The

Dupres were the illegitimate descendants of Tom Benton, but with the passage of years all fell under the spell and love of Sarah and became, in actuality, one family." Chicago Sunday Tribune

"It is good reading, exciting reading, but a complexity of plot structure, of plots within plots, and a multiplicity of characters weigh down the action and befog the story line in the latter portions of the tale. None-the-less it is good Yerby. If you're a Yerby fan, as this reviewer is, you'll welcome his latest offering, which is almost certain to hit the best seller lists." William Yates

+ — Chicago Sunday Tribune p4 N 28 '54 350w

N Y Herald Tribune Bk R p8 D 19 '54 320w

"It is a measure of Frank Yerby's hidden ability that he can transform a hero who talks like a caricature of Hopalong Cassidy into a reasonably attractive, almost dignified human being. This Mr. Yerby does with Tom in the first half of his newest historical. In fact, Mr. Yerby could, one suspects, be a pretty good novelist if he ever got his mind off the neck-line and the cash register." Richard Match

N Y Times p52 D 5 '54 350w

YERBY, FRANK GARVIN. Bride of liberty.

(Cavalcade bks) 219p \$2.50 Doubleday

54-7595

"A love story and a narrative of the American Revolution. At the outset, Kathy Knowles, of Tory sympathies, is engaged to a young patriot named Ethan Page. Her sister, Polly, however, is the more truly in love with him. The conflict in their relations is intertwined with the events of the war to make an arresting tale." Chicago Sunday Tribune

"Mr. Yerby's account of the war is fresh and often unorthodox. If he has contrived the narrative to make his principal characters meet more of the personages and participate in more of the events of the Revolution than seems probable, he has nevertheless written an informative and very readable book." E. B. H.

+ Chicago Sunday Tribune p47 N 14 '54 90w

"A slight, romantic tale of the American Revolution from the pen of Frank Yerby is a complete surprise, in its simplicity and innocuousness. . . A fairly obvious tale, without much to contribute to a many times explored period of history."

Kirkus 22:440 Jl 15 '54 140w

"[There is] a too obviously contrived plot. But his heroine is real and likable, and the tale is exciting. Mr. Yerby's style is popular with adults and doubtless his novels are read by older teen-agers." L. S. Bechtel

+ — N Y Herald Tribune Bk R pt2 p34 N 14 '54 30w

YLLA, pseud. See Koffler, C.**YOSELOFF, MARTIN. Magic margin.**

256p \$3 Dutton

54-9785

"It is about the Kellehers of Bleecker Street, a family whose older generation was born in the neighborhood and will die there, in contrast to the swiftly moving generations of Bohemians, who flicker across the Village stage and then move on. The schism is summed up in two attitudes toward the expression 'cold water flat.' To the Bohemians it means cozy freedom; to the Kellehers, who are realists, it is a dark symbol of poverty. The struggle of the two worlds for the souls of the Kelleher children is the burden of Mr. Yoseloff's tale." N Y Times

"He has not probed the relation of his Kellehers to the Church, of the Kellehers to the Village itself, of the Kellehers to the Sheehans. And it is in the discovery of why they are what they are that the novel would be lifted

out of a humdrum kind of telling. As it stands it is not complete and it is not important to our knowing; it is only a couple of evenings' reading." J. A. Lynch

Commonweal 61:74 O 22 '54 650w

"A sad, true, tired book, as careworn as the faces on a subway."

Kirkus 22:408 J1 1 '54 160w

"The Village scene is realistic, and the relation between brother and sister, pleasant. Rental collection." E. F. Walbridge

Library J 79:1506 S 1 '54 90w

"The Magic Margin' is especially refreshing. . . [It] has warmth and conviction. It is also interesting to discover that a novel in the naturalistic tradition that stops short of violence and horror carries an impact all its own." John Brooks

+ N Y Times p30 S 12 '54 600w

YOUNG, KIMBALL. Isn't one wife enough? 476p il \$6 Holt

289.3 Polygamy. Mormons and Mormonism 54-5461

A sociological study of the institution of plural marriages among the Mormons, how it began, how extensive it was, what people both within and without the community felt about it, and how it was eradicated. The book is based not only on materials relative to the public controversy, but also on diaries, journals, and autobiographies.

Booklist 50:350 My 15 '54

"The book is packed with detailed information, the result of patient and skilful digging. At the same time the author writes with an admirable sense of the general audience at which he aims, coming straight down to date with an account of the Short Creek, Ariz., affair last year. If the title has a mildly sensational ring, that's only a publisher's natural desire not to have it sound too dry. In Young's hands it is anything but dry." J. H. Jackson

+ Chicago Sunday Tribune p3 Ap 11 '54 420w

"Grandson of Brigham Young, former elder of the Mormon Church, and outstanding sociologist, Professor Young is undoubtedly the most competent person to tackle this extremely interesting subject, and he treats its many aspects with scientific scrupulousness and good humor. Highly recommended." Louis Barron

+ Library J 79:621 Ap 1 '54 210w

"This is a choice book, an objective and yet extremely sensitive study of Mormon polygamy. Sociologists have said that such a book was probably impossible to write; they and many others will be deeply grateful to Kimball Young for having written it." Virginia Sorensen

+ N Y Herald Tribune Bk R p1 Ap 11 '54 550w

"The jaunty title notwithstanding, this is a long, sober, judicious analysis of a significant social institution. Kimball Young is ideally qualified to write this volume. A grandson of Brigham Young, he knows from family recollections what it was like to live in a polygamous household. A distinguished social scientist and Professor of Sociology at Northwestern University, he commands the techniques and writes with the objectivity of the scholar. Personal insights and academic training thus combine in a very useful account." Oscar Handlin

YOUNG, LEONTINE R. Out of wedlock. 261p \$4 McGraw

301.427 [392.6] Illegitimacy 53-10624

"A study of the problems of the unmarried mother and her child." (Subtitle) "This book is written primarily for social workers, but hopefully it may also be of service to anyone working with or on behalf of unmarried mothers, unmarried fathers, and out-of-wedlock children. It is based upon the author's own experience in working with approximately 350 unmarried mothers and upon approximately 1,000 further cases from the case material, observations, and contributed knowledge of a large group of social workers in both public and private agencies. It attempts to integrate these experiences and observations and to define what seem to be major factors in the problem." (Pref) Bibliography. Index.

"This is a highly equivocal book and it is difficult to state precisely any definite findings. . . The rare use of statistics is polemic and unsound. The study is naive and unsophisticated, without critical analysis, employing a haphazard sort of methodology. The result may be good journalism, but it is poor science." F. F. Miles

— Am Soc R 19:643 O '54 250w

"Using her extensive social work experience, the author presents a study of the complex factors operating in the problem of birth out of wedlock. Considering the difficulties inherent in obtaining accurate information about this cruelly stigmatized situation, the study is comprehensive in scope. Although addressed particularly to social workers, the book should serve to broaden the thinking of any professional person who may be confronted with some aspect of the problem by any of the principals entangled in it." Reviewed by Stanley Cooperman
Nation 179:554 D 25 '54 300w

"It is most difficult to bear in mind while reading this book that its original language was French, so precise and polished is the translation. Certainly it has been stylistically recomposed; the most expert attempt to preserve the flavor of the original could not arrive at such elegant English usage; strong flavors cancel each other. This is to the great credit of Grace Frick, who collaborated with the author in the Englishing of the book." Robert Parris

+ New Repub 131:23 D 6 '54 1000w

"As a work of art, of psychological insight, of historical intuition, the 'Memoirs of Hadrian' is an extraordinarily expert performance. . . It has a quality of authenticity, of verisimilitude, that delights and fascinates. . . The noble prose of Mme. Yourcenar's Memoires d'Hadrien earned her work a prize from the French Academy in 1952 and the prospect of translation into half a dozen languages. But it seems safe to predict that none of these translations will excel this superb English rendering which Grace Frick has prepared with the collaboration of the author." Geoffrey Bruun

+ N Y Herald Tribune Bk R p1 N 21 '54 400w

"Such is the self-effacement, the erudition, the histrionic sympathy of Mme. Yourcenar that we read an imaginary document almost as if it were history. . . A singularly felicitous device has enabled Mme. Yourcenar to outwit the modern suspiciousness that finds the biographer as interesting as his subject; she has made herself almost non-existent. . . Her book has tonic vigor—and a cool, white marble beauty not unlike that of Maillol's sculpture." Gerald Sykes

+ N Y Times p6 N 21 '54 750w

"Her cool, objective manner gives her book the sense of being firmly grounded and solidly constructed, an edifice built to endure like Hadrian's tomb itself. Yet with this solidity she combines a clarity that seems to give the structure a lightness that lifts it into another dimension." Jane Volles

+ San Francisco Chronicle p22 D 5 '54 800w

"Conscientious as Miss Yourcenar has been in presenting the externals of the emperor and his realm, such information may after all be obtained, on higher authority if not as agreeably, in unimaginative handbooks. Her highest usefulness and greatest success is in a field beyond the range of the orthodox historian, a field to which only the imaginative writer can be adequate, but in which he frequently fails, especially if he is dealing with a non-Christian environment. . . A reconstruction of ethical motivations can only be subjective, and for the reader its validity must depend upon the credit which its creator has established in matters susceptible to objective tests. Here Miss Yourcenar's credit is very high. . . The style of the book is as convincing a reconstruction as its matter. The French original has been highly praised, and the translation 'by Grace Frick in collaboration with the author' retains, with but few and minor lapses, the delicacy and dignity appropriate to the supposed author." Moses Hadas

+ Sat R 37:12 N 27 '54 750w

"Author Yourcenar's portrait is chiseled in stone. An expertly researched novel, it has won two literary prizes in France. What it lacks in pace, it makes up in stateliness and thoughtful writing about the man who first called Rome eternal and did his share to make her so."

"I believe Zara's work is the first novel dealing with New York's pioneer Jewry. As a novel, it is an interesting story about the lives and deeds of these early settlers. . . Of greater value are the myriad historical items regarding Jewish-Hebrew customs, language, and religion under Portuguese-Spanish-Dutch-British colonizations—interwoven by Zara from the findings of the American Jewish Historical Society, the N. Y. P. L., and other bodies. Highly recommended as a historical novel of permanence." J. M. Scherr

+ Library J 79:1590 S 15 '54 210w

"'Blessed Is the Land' is effective and convincing as a story of pioneer life, and beyond that, of the ideals and circumstances of a Jewish group in the early years of this country." Mary Ross

+ N Y Herald Tribune ■■ R p5 ■ 26
'54 430w

"There are two purposes, often contradictory, in this prolonged chronicle of early Jewish settlers in New York. One is an attempt to capture the spirit of these forlorn arrivals. The other is to counteract the stereotype of the Jewish hero as only commercial, or intellectual, or spiritual—as anything but a fighter. Mr. Zara has created a swashbuckling Jewish soldier of fortune, modeled on Anthony Adverse, endowed with a conscience and with religious and racial loyalties. . . Occasionally the spirited adventures of Ashur fall short of heroism so anticlimactically that they possess a kind of realism not usually found in historical fiction. But for the most part the story churns around a central subject that unquestionably deserves something better." R. C.

N Y Times p30 S 12 '54 370w

"Mr. Zara writes directly and with simplicity, showing Ashur to be a man of humor, and bringing a great deal of reality to this account of early days on Manhattan."

ZIMMERMAN, OSWALD THEODORE, and LAVINE, IRVIN. College placement directory. 431p \$10.75 Industrial research service
658.311 Vocational guidance

"Advertised as a new type of book. According to the Preface it was compiled as an aid in answering two important questions: 'Where Can I Find a Job? . . . Where Can I Find the Best-Qualified College Graduates for the Openings I have?' The College Placement Directory, therefore, was designed to serve several groups. It will point out to college graduates—both men and women—many job opportunities they did not know existed. And it will thus increase each one's chance of obtaining the type of job he wants with the type of company for whom he would like to work. It will help the companies by making it possible for them to learn about outstanding men and women whom they would ordinarily not reach through their recruiting service. And it will be of inestimable value to our busy professors and college placement officers. . . . The book includes data on over 1000 companies

ZIMMERMAN, O. T.—Continued

which together employ over five and a half million people and which hire over 35,000 college graduates each year." Subscription Bks Bul

Chem & Eng N 31:4468 O 26 '53 60w

Chem Eng 61:337 Ag '54 100w

"Although there are omissions in the 'Company Section,' and limitations in the fields covered, the College Placement Directory should prove a useful reference book for those in charge of placement in colleges and universities for vocational guidance departments of both high schools and colleges, and for college graduates who are interested in locating the names of companies that employ persons with their special education. However, the information given in the 'College Section' is too brief to be of great service to ■ firm seeking persons with ■ specific professional training. The College Placement Directory is recommended for college and university libraries, for large public libraries, and for individuals engaged in personnel work."

ZOLLI, EUGENIO MARIA. Before the dawn; autobiographical reflections. 209p \$3.25 Sheed

B or 92 Catholic church—Converts 54-6141

Autobiography of the former chief rabbi of Rome, who in 1945 was converted to Christianity. He is at present a member of the Pontifical Biblical Institute, to which he was appointed by Pope Pius XII.

+ Cath World 179:160 My '54 170w

"When the chief rabbi of Rome entered the Catholic Church in 1945, the event naturally caused a stir. Some thought he was unfaithful to his people, with whom and for whom he had feared and suffered, and many thought that his conversion was due to the charity of Pius XII toward the Jews. His autobiography, which is written humbly and simply, shows that each of those notions was false. He belonged heart and soul to his people, and he still does." L. R. Ward

+ Commonweal 59:652 Ap 2 '54 450w

"This is an attempt on the part of a prominent Jewish leader to explain his conversion to Roman Catholicism. . . This well written narrative leaves much unexplained, so that the reader is left speculating as to the real reason of this radical step."

"A welcome book." Stephen Bone
+ Manchester Guardian p4 D 15 '53 260w

"This is the first consequential study of one of the world's great masters, and it is likely to stand as the definitive one. The *catalogue raisonné* is its chief contribution, though the thirty-page introductory essay is useful in showing Zurbarán's evolution from mannerist beginnings and from Spanish polychromed sculpture and in tracing the unfolding of his career. The one hundred full-page plates are up to the high standard set by previous Phaidon monographs, and the nine color plates are better than usual in this series, partly because Zurbarán's use of large flat color areas with high value contrasts lends itself to reproduction." S. L. Faison

+ Nation 179:195 S 4 '54 850w

"Mr. Soria's book is of great value. He has sorted out the genuine article from the rest with severity, and the plates are as good as Phaidon has ever done. The great virtue of the book is that it exists at all. Considerable seriousness and courage are required for a publisher to step so far from the beaten path, when repeated editions of Rembrandt and the Impressionists remain so rewarding." Lawrence Gowing

+ New Statesman & Nation 46:726 D 5 '53 420w

N Y Herald Tribune Bk R p15 My 2 '54 40w

"The plates in this book are by far the most faithful ever made after the master's work and Martin Soria, in his detailed catalogue and copious presentation of relevant facts, has cut a clearly marked path through a forest of old misattributions, adding to the list of authentic pictures and making full use of the biographical documents which have recently turned up." Stuart Preston

+ N Y Times p7 My 2 '54 600w

"Dr. Soria's essay, while welcome for its details, does not fully satisfy the reader. . . He has produced an indispensable book. Many years' work have gone into it, careful scholarship and attentive study of the actual pictures; the result is a reasoned chronology and an acceptable oeuvre. Nevertheless, when the subject of a monograph is an artist we require something more, some approach to the enigma of his individual creation. The author seems about to attempt this, but withdraws, or is unable to express what he feels. This is a pity; it mars an otherwise excellent book."
